**Strong Wear**

- Past: Wore
- Present: Wear
- Future: Will wear

---

**Wireless Fail-Proof Guide**

**Adjective Endings**

To determine the number of the noun:

1. Look for the limiting words.
2. Consult a list of exceptions.
3. Look out for all of the weak ending.
4. Look out for the next weak ending.

**Case I**
- Does the phrase begin with an article?
- Does the limiting word have a strong ending?
- Are there no limiting words or exceptions?
- Then, all adjectives have strong endings.

**Case II**
- Does the phrase begin with one of the weak ending?
- Are there no limiting words and all others?
- Are there no limiting words or exceptions?
- Then, all adjectives have strong endings.

**Case III**
- Is there a limiting word?
- Does the limiting word have a strong ending?
- Are there no limiting words or exceptions?
- Then, all adjectives have strong endings.
